

101 Ways to *Wow!* Our World

A life-affirming list of positive actions, explained in Debbie's easy uplifting style, and more than 80 resources for moving beyond the fear and negativity to the joy, love, and abundance that is your birthright. It's an insightful, empowering, and wildly optimistic reminder of your magnificence, your power to affect change, and the value you bring to the planet.

"Like yoga for the soul"

Debbie Jenae is an award-winning author, governor's award nominee for child advocacy, and founder of Inspired 101. She has always been fascinated with behavior and potential. Her studies include acupressure, ancient writing, animal symbology, energy medicine, and women's ancient history and influence. She is also Master Certified in Graphoanalysis (handwriting analysis for character and personality) and recipient of the Graphoanalyst of the Year award. From child abuse victim to analyst, author, advocate, speaker, activist, artist, editor, and producer, Debbie is dedicated to increasing understanding, empowering others, and inspiring positive action. She lives in the Central Coast region of California.
